## GigaTech Announces Enterprise-Class Technical Support Portal

- Active 1 on 1 Support System
- Customer Interaction Log & Archives
- Integrated Product Knowledge Base

GigaTech Products is proud to announce the roll out of its new enterprise-class customer support portal. This help desk interface will streamline management of technical support, allow quick communication through an easy to navigate support panel, and maintain a detailed log of all inquiries and responses. Customers can also log into the support panel and view our ever growing product knowledge base.
